

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

MELISSA ARAUJO,

Defendant.

No. 1:22-cr-00195-TLN-BAM

ORDER

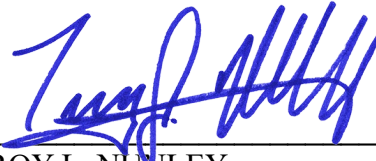

This matter is before the Court on Defendant Malissa Araujo's ("Defendant") Motion for a Reduction of Sentence. (ECF No. 156.) No opposition was filed.

Defendant appears to seek a reduction of her sentence pursuant to an amendment to the United States Sentencing Commission's guidelines, effective November 1, 2025. (ECF No. 156 at 1.) As Defendant seeks to invoke an amendment not currently in effect, Defendant's request is premature. Moreover, even if the Court were to consider the forthcoming amendment, Defendant does not explain how the amendment would be applicable to her sentence, particularly given Defendant's role as a supervisor in the criminal activity. Additionally, the Court already provided Defendant a significant downward variance at sentencing. Accordingly, Defendant's Motion for a Reduction of Sentence is hereby DENIED without prejudice.
